**ASBESTOS DECLARATION**

**DATE**.....

**BLOCK** ..... **SECTION**.....

**SUBURB**.....

Presently we are unaware of any asbestos containing materials located within the building however if during construction/demolition any material is identified containing asbestos, a licensed asbestos removalist will be appointed and we will notify the building certifier to ensure the required approvals and documentation are prepared in accordance with the following:

- National code of Practice for the Safe Removal of Asbestos
- Building Act 2004
- Dangerous Substances Act 2004
